

# Creative Task Instructions

<https://www.youtube.com/watch?v=4CjLZ2n6HZc>

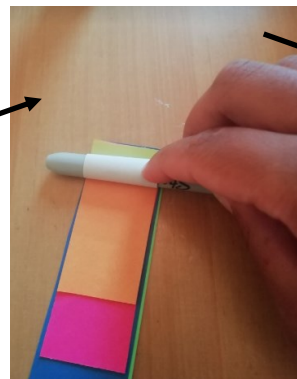

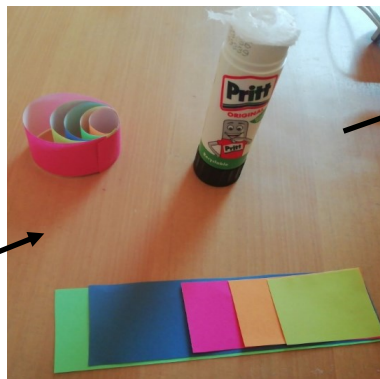

**1. Cut out template and use the strips to help you to cut out coloured paper**

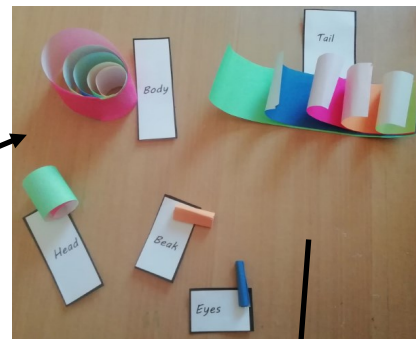

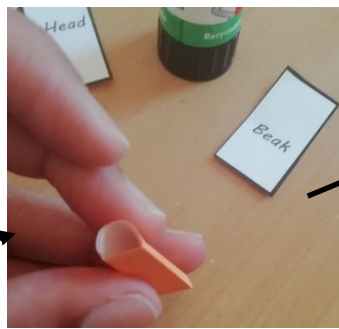

**2. Arrange body, tail, head, beak and eyes separately**

**3. Start with the body, gluing strips of paper at one end, starting with the biggest through to the smallest. Once in place, curl each strip of paper to form a circle/ tube, this time starting with the smallest. Glue in place.**

**4. Next, the tail. Again, glue strips of paper at one end, starting with the biggest through to the smallest. Once in place curl each strip with a pencil or pen to form a curl.**

**7. Assemble and glue the different body parts together to complete your bird.**

**5. Put the head together by making a small circle/ tube then the a bigger circle/ tube.**

**6. The Beak. Make a small circle/ tube and press your finger together to make a straight edge.**

**Well Done!**
