Welcome to Theatre Royal Plymouth!

We can't wait to see you.

Come in through the sliding doors and into the foyer.

Once inside the foyer, our security team will conduct a bag check.

A member of our friendly team will be in the foyer to say 'hello' and can answer any questions you have.

Our Box Office team will be happy to help if there are any issues with your tickets.

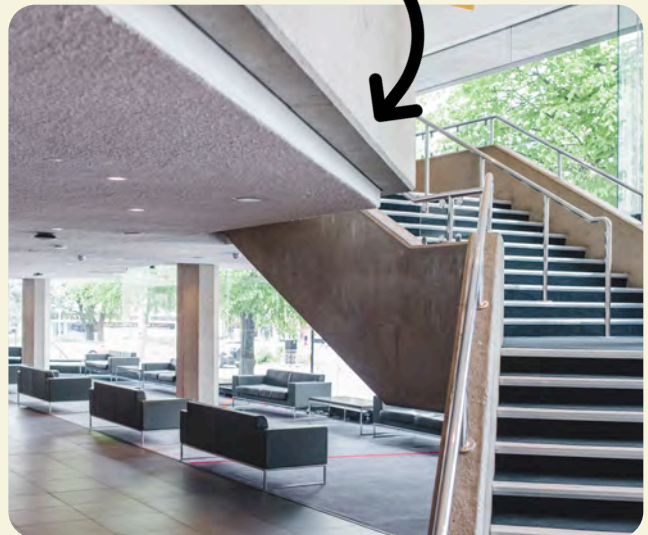

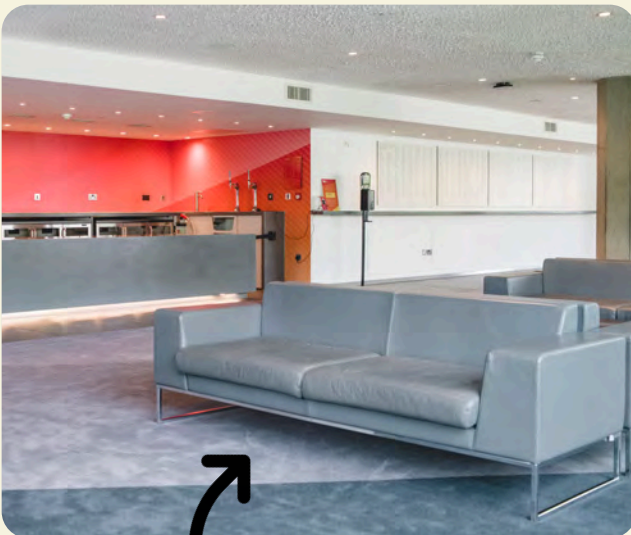

The Café on the ground floor is perfect to grab yourself a drink or snack.

When busy the Café can be a little noisy, so you may choose to sit in another of our seating areas.

The ground floor bar has lots of comfy sofas...

...and so does the Circle bar on floor two.

We also have seating in the First Floor Café with plenty of space to relax.

We have food offerings within this space at various times, information can be found on the website.

You'll be able to access the Gallery (first floor) and Circle floor (second floor) via the stairs or our lift which is situated in the foyer.

Circle floor

There are male, female, and gender neutral toilets across all floors. There are also accessible toilets on each floor:

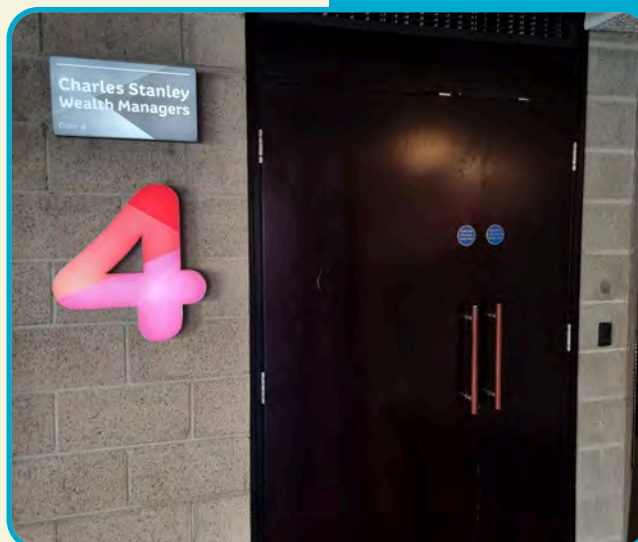

Ground floor - beside Door 2

Gallery floor - in the Gallery Café

Circle floor - outside the lift

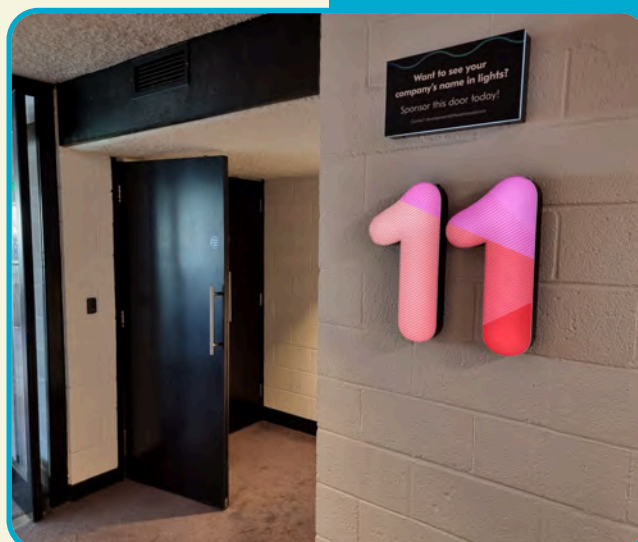

If you are in Door 4 or are going to see a performance in The Lab, there is an accessible toilet on the basement floor that can be accessed via a lift beside Door 4.

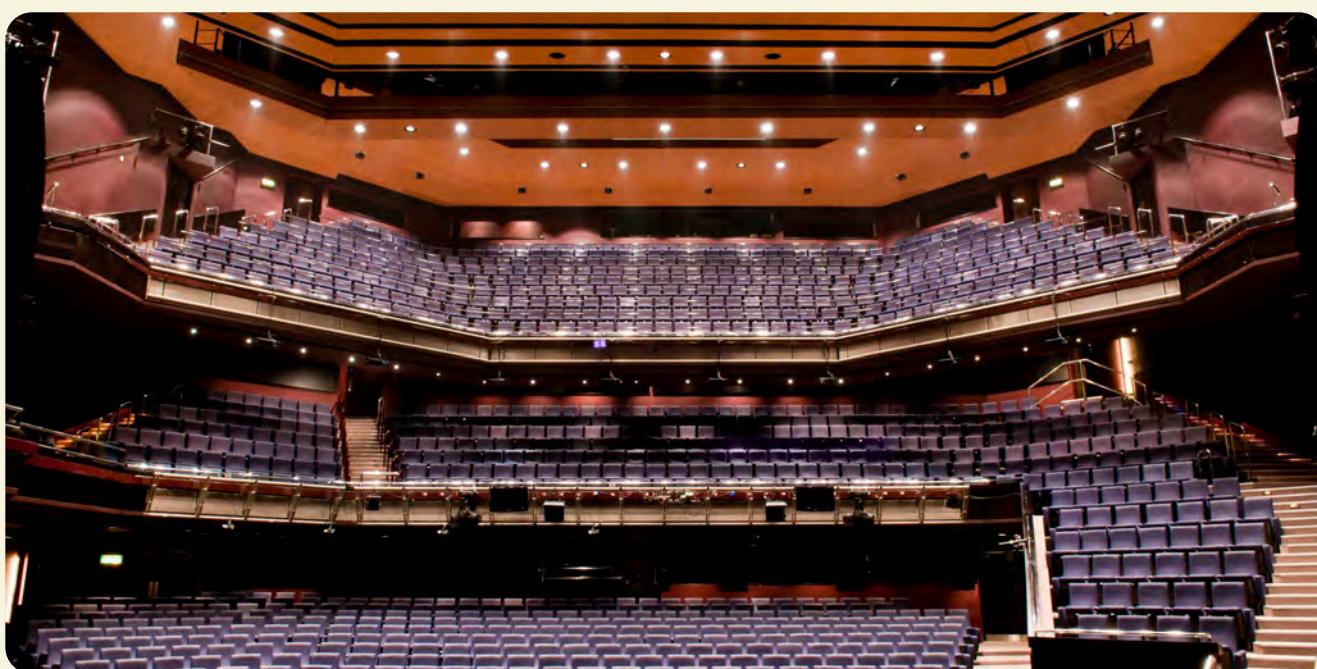

The door numbers are beside each door like this.

Please don't worry if you get a little lost, our team are always happy to help you find your way.

When you're ready to take your seat, go to the door listed on your ticket. One of our friendly ushers will scan your ticket and can help you find your seat.

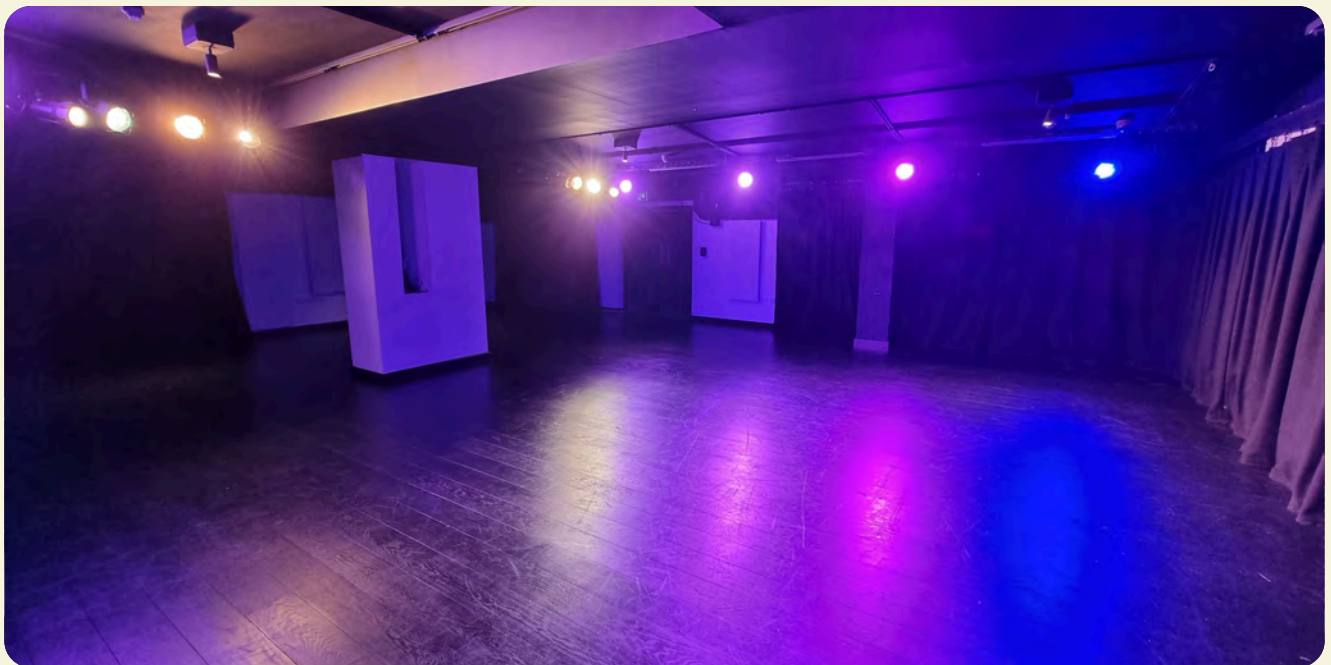

If you're in Doors 4, 7, 11, or 12, you will come into the auditorium this side.

If you're in Doors 2, 3, 6, 9 or 10, you will come into the auditorium this side.

We also have two other stages which you might visit.
