

Our Space Production 2026

Expression of interest for creative roles

Theatre Royal Plymouth are seeking expressions of interest for our 2026 Our Space Production in the following roles:

- AV DESIGNER
- COMPOSER
- DEPUTY STAGE MANAGER

About Our Space

Our Space works with adults experiencing multiple disadvantages including homelessness, mental health issues, addiction, reoffending or those who feel socially isolated for other reasons. The programme has 4 strands: weekly community sessions, a production group, an Armed Forces production group, and a prison production group.

About The Production

Directed by Lee Hart, and co-created by the adult company, this is a new production based on Homer's *The Odyssey*. This production will be a culmination of work from across the strands presented in The Drum. There may be a requirement to work in a prison setting. Therefore, there may be a need for appropriate vetting.

Availability

- One off rehearsal attendance throughout May-September
- Tech week – w/c 14th September
- Production week – w/c 21st September
